There are a number of important things to consider when nominating a candidate to the Coordination Committee.

- It is important to have as many candidates as possible to ensure a fair and representative election. You are therefore urged to consider standing for the election. If so, please find an ENHR member who will nominate you. You are also urged to think about nominating another ENHR member. If so, please contact that ENHR member to find out whether he or she would be willing to be a candidate.
- It is important to remember that members of the Coordination Committee are expected to attend, at their own expense, a number of meetings during the year and to be active at ENHR conferences.

How to nominate

ENHR members can nominate a candidate or be nominated as a candidate provided that they have paid their membership fee for 2024. Members from associate institutional members and members from outside Europe are excluded.

Please fill in the nomination form on the ENHR website (www.enhr.net/about-enhr/coordination-committee) with the names of nominee and nominator and send the form, together with a short biographical sketch (± 200 words) and a photo, to the ENHR Office (ENHR@tudelft.nl).

The biographical sketch should contain the candidate's academic position, activities in the Network, a maximum of three key publications, issues that you feel are important for the future of the Network and a motivation.

The deadline for receipt of nominations (including the biographical sketch and photo) is **30 April 2024, by midnight CET**.
