The aim is to achieve a balanced composition, enabling diversity in terms of discipline, country and gender. The elections will take place in April, May and June 2026. The results will be announced during the General Assembly (3 July) at the 2026 conference in Oslo (Norway).

There are a number of important things to consider when nominating a candidate to the Coordination Committee.

- It is important to have as many candidates as possible to ensure a fair and representative election. You are therefore urged to consider standing for the election. If so, please find an ENHR member who will nominate you. You are also urged to think about nominating another ENHR member. If so, please contact that ENHR member to find out whether he or she would be willing to be a candidate.
- It is important to remember that members of the Coordination Committee are expected to attend, at their own expense, a number of meetings during the year and to be active at ENHR conferences.

### How to nominate
